

Move up today's fast-paced business world.

Swiss education gives you more than just book smarts. In the business and management or hospitality programs, you'll earn a practical education that you can immediately put to use in the real world. The courses are taught by faculty members who don't just have advanced degree—they have real-world, professional experience. This means you can be sure your education is always current and applicable in today's business world.

Our Guarantee

A relationship beyond the Business

A relationship beyond the business.

Bellerbys is proud of its reputation and we are confident that we give our students the best possible chance to succeed. Confidence in ourselves means knowing that what we have to offer is of the highest quality.

Our Vision

The institution established as the best possible education and service provider for all who seek further education in abroad.

Our Mission

To maintain it as the center of excellence in education and service by providing opportunities for all who wish to go for further education in abroad.

To achieve its mission, Bellerbys has sought and will always seek to ensure that its provision is characterized by excellence in three main aspects-access, process and content.

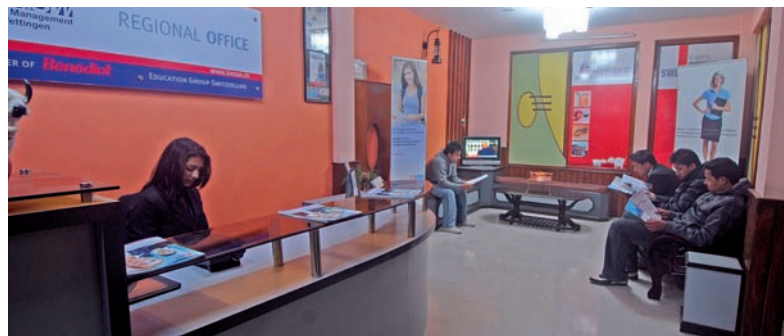

Bellerbys **Values** highly

1. The needs and aspirations of all students, clients and staffs.
2. The continuous commitment to improving quality within all operations in the pursuit of institutional excellence.
3. Clear system of communication to ensure information flows freely and purposefully to the benefit of all.
4. Planning, monitoring and reviews as keys strategies within all operations and delivery to achieve our vision and mission.
5. The emphasis on and investment in team work to ensure that all staff contribute to our success and that this is recognized as crucial to continuous improvement.
6. Financial stability as the platform on which high staff and student achievement can be based

What moves you to Switzerland?

Switzerland is one of the major tourism nations and birthplace of International Banking, High-Tech Industry and Insurance Businesses. Many International institutions have set their headquarters here. Switzerland is one of the most international countries, allowing students to gain global experience and contacts during multicultural exposure, in a safe and secure environment. Known for world-class quality and efficiency, studying in Switzerland will give you a new understanding of dependability, honesty, trustworthiness, cleanliness, punctuality, and professionalism.

Make your move to a more rewarding career

Over the past few years, hundreds of students from Bellerbys have chosen Switzerland to get started on a career path, enhance credentials or change careers altogether. No matter what career you train for at Switzerland-industry, commerce, hospitality, technology, education, government or non-profit-the degree you earn will be recognized and valued worldwide.

Your brighter future begins with a degree from Switzerland. In addition your Swiss degree prepares you to collaborate borders and cultures.
